

Asundep N. Ntui, DVM

Asundep Ntui holds a DVM degree from University of Nigeria, Nsukka and is currently a graduate student at Tuskegee University. Before his admission to Tuskegee University, he had worked as a Resident Manager and a Pharmacy Technician in a Safeway Pharmacy in Maryland.

Before migrating to the U.S., Dr. Ntui had worked as an assistant Veterinary Clinician in the Cameroons and his interest in animal production, led him to the graduate veterinary program with emphasis in Tropical Animal Health. Dr. Ntui has one publication and has one seminar presentation all aimed at improving human and animal welfare. Dr. Ntui is not married, plays soccer occasionally and likes watching football and can be reached at asundep@yahoo.com.
